

Fork Lift Truck Refresher Training for Operators

(RTITB Accredited Programme)

Target Audience & Prerequisites

This course is for delegates who already have a licence and wish to refresh it. It caters for operators on Counterbalance, Reach, Flexi/Bendi trucks, Pallet truck and Side loader. Training is covered in 2 parts with a theory and practical. Proof of original licence must be seen before training can commence.

Course Outline

The theory aspect of the programme is delivered in accordance with Approved Code of Practice L117 Health & Safety at Work Act and includes:

- The law and your responsibilities
- Truck familiarisation
- Inspection, care and maintenance
- Safety and stability
- Principles of lifting
- Loading and unloading

The practical aspect of the training programme includes:

- Introduction to truck controls & instruments
- Pre- start inspection and battery charging
- Starting, moving and stopping
- Steering and manoeuvring
- Hydraulic system
- Stacking and de-stacking of loads
- Driving practice

Accreditation & Reward

Following successful completion, candidates will be awarded a certificate of accreditation approved by the Road Transport Industry Training Board (RTITB) and issued by Textile Centre of Excellence accompanied by your official Fork Lift Truck Driving Licence.
